

XOMETRY HIGH VOLUME PRODUCTION FOR SERIAL PARTS

Framework Agreement

The Xometry framework agreement allows you to order annual volumes which we will deliver to an agreed schedule. The benefits to this framework agreement are:

- ✕ Fixed annual pricing
- ✕ Achieve target price per part
- ✕ Management of assembly volumes
- ✕ Protection against material fluctuations (availability and price)
- ✕ Guaranteed delivery times for repeat or secondary batches
- ✕ Storage for large orders
- ✕ Cash flow management: We invoice on batch delivery only*

Sample Policy

The Xometry sample policy provides you with 1-2 sets of samples for you to make sure that they are produced according to the design and specs and provide approval before we continue with the remaining quantity.

**It is subject to the creditworthiness of the customer*
